Property adjacent to Rockingham Center for Research and Technology which is a 365 acre, Class 'A', high tech, high volume center that is home to SRI International's new 43,000 SF Center for Advanced Drug & Research. Site has 63 acres located in the City of Harrisonburg and 31 acres located in the County of Rockingham. This property has 3,500 feet of street frontage. This 94 acre site lays great for development with few out cropping of rock and has been a corn field for years. Attached are brochures showing three ways the 94 acres can be divided. Owner is flexible in how site can be subdivided. Price negotiable.
