

Rockbridge County

Live it. Love it. Work it.

Rockbridge Area Health Center cuts the ribbon on 23,000 sq. ft. renovation and expansion.

Live in Rockbridge

- Pro-business culture
- Quality Education → K-12 & Beyond
- Excellent Healthcare

Love Rockbridge

- 64,000 acres of national forest
- 56 miles of river
- Natural Bridge State Park
- Appalachian Trail community
- Arts, culture & spirits

Work in Rockbridge

- Diverse industries with strong agriculture economy
- Resources for entrepreneurs
- Custom workforce solutions

Opportunities

- 70 miles of rail
- 75 miles of interstate
- 110 miles of natural gas pipeline
- 250 miles of fiber

“We know the expansion will add great jobs for people in this community as well as support demand for Mohawk’s award-winning commercial carpet tile.” - Todd Shail, Mohawk Industries

COMMENTS

The Rockbridge area is strategically positioned midway along the eastern seaboard at the intersection of Interstate 81 and 64. This location provides excellent linkages to major U.S. markets. Over 40% of the US population and in excess of 200,000 manufacturers are located within a 500 mile radius. View the Rockbridge County Vicinity map and the 500 Mile Range map of the area.
